

WELCOME TO SEDGEFIELD FOLK FESTIVAL

From its modest beginning within a single venue in 2006, the Festival has gradually expanded to cater for the tastes and interests of folk music enthusiasts and local residents alike.

The Festival operates within Sedgefield Community Association and a specific, dedicated committee of volunteers work hard to organise a full programme of events which brings many visitors into the County Durham town from all over the country.

It is with great regret and sadness that we have decided to retire the World Spoons Championship due to the loss of our friend and World Champion, **Bert Draycott**. Bert will be a huge miss this year. We are sure those who knew him will understand our decision and a tribute to him will be held at this year's Festival alongside **Martin Nesbitt**, who was also a regular performer at the Festival.

Tickets for the Parish Hall events sell out very quickly due to limited capacity, but we do have plenty of other events over the weekend, some of which are free.

We really hope you enjoy this year's Festival and the acts we have picked. Everyone is welcome and we look forward to seeing you over the weekend.
